What is a DD form 1351-2

The DD form 1351-2 is a form that identifies who you are, your dependents, where you traveled from, and where you and your family traveled to. It is the documentation that the Disbursing office utilizes to pay your entitlements accurately. Improper, incorrect, or illegible claims may significantly delay your payment resulting in a possible debt to the government and credit report/score degradation.

- Submitting a false claim will result in a fine with a possible jail sentence in accordance with **U.S. Code, Title 18, Sections 287 and 1001 and Title 31, Section 3729**

Is your 1351-2 the correct version?

- If there is a line or an “X” through blocks 20 or 21 (signature blocks) then you must find another one.
- Does block 21 have an A, B, & C block, or only A & B? Those with only A & B are outdated and no longer accepted.
- The correct version will have a date of May 2011 or newer.

Block 1

(Payment)

When filling out block 1 you will need to select the EFT block or Payment by Check block.

NOTE: If this is your **Permanent change of station** (PCS) claim, separation claim or retirement claim, the Government travel credit card is not authorized for use. Payment by check is not valid for separations or retirement claims.

Blocks 2-5

(Personal information)

- 2) Your name
- 3) Your pay grade
- 4) Your full social security number
- 5) Mark the appropriate entitlements you would like to be reimbursed for.

NOTE: DLA and TLE are not reimbursable for your final travel claim when separating or retiring from the Marine Corps.

Block 6

(Address)

6) The address you are currently residing in.

NOTE: This is also known as your new residence or home of record. This address should also be the one you entered on your 11060 (papers you were given by IPAC outbound upon separation). If it is something different you will need to attach a statement as to why you did not move to the address you listed on your 11060. You will also need to contact IPAC outbound and update your address in our systems. Failure to do so can delay payment.

Block 7

(Phone number)

7) Your telephone number.

NOTE: Please enter a phone number which you can be reached at from 0800-1700 pacific standard time. The Disbursing Office will contact you via this number if there are any questions with regards to your claim. The finance office will not give this number to personnel outside of the office. It will also not be used for any purpose other than your travel claim.

Blocks 8-9

These will be left blank by the member and are for the Disbursing office's use only. Filling these out may cause a processing error and may ultimately delay your payment.

Block 10

(For D.O use only)

- b) Disbursing use only
- c) Disbursing use only

Block 12

(Dependent(s))

(1 of 2)

Accompanied- If your dependents have moved from your old duty station and are now residing with you.

Unaccompanied- If your dependents were already located where you moved to, or did not relocate.

NOTE: If you feel that your dependents were in an unaccompanied status please write a statement in block 10 or attach a document that has been signed and dated by you (the member) explaining why you feel the travel was unaccompanied. If you leave this block blank your claim will be returned in an unpaid status.

Block 12

(2 of 2)

- a) Dependents' first and last name
- b) Relationship to you (spouse, son, daughter)
- b) Date of birth or marriage

NOTE: If your dependents are not listed on your orders you are required to contact your IPAC and have them send you a correct set of orders showing all dependents prior to separation from the Marine Corps. If you did not relocate all of your dependents you (the member) need to attach a document that has been signed and dated by you (the member) explaining why and the location of these dependents. If your dependents move within your allotted time (6 months for separates and 1 year for retirees) you can submit a supplemental for their travels. An extension can be submitted for additional time through HQMC. For information contact your servicing IPAC.

Block 13

(Dependents address on receipt of orders)

This is the address your dependents were living at on the date you started your terminal leave or the same date you went to IPAC and received your separations orders and 11060.

NOTE: If your dependents moved prior to you receiving your orders or they departed after you had already departed, you may rate entitlements for their travels. You will need to fill out a separate [DD Form 1351-2C](#) showing the dates of their travels. The determination will come from the finance office when your files are reviewed. If your dependents traveled prior to the issuance of appropriation data (the date your orders were authorized by HQMC), then you will not rate travel entitlements for them. When submitting the 1351-2C it needs to be accompanied by a letter authorizing the early departure of your dependents. If you are unsure of this please contact the Disbursing Office.

Block 14

(have household goods been shipped?)

If your belongings have been relocated to your new residence mark yes. If your belongings are in storage at the old duty station or in another location other than the address listed in block number 6; then you have not established a new household and you do not rate travel entitlements.

Block 15

(Itinerary)

1 of 4

- a) Use a day and month format DD/MM, the year will be located just below the word DATE.
- b) To the right of DEP in the first block you will need to list the starting location of your move (city and state only). This should be the base in which you (the member) moved from. Your final destination on your travel claim should reflect the same city and state as blocks 6.b and 6.c. If this is the dependent travel itinerary (1351-2C) you will need to put the city and state the dependents relocated from. The next block containing both ARR and DEP should contain your final destination. If you have a TAD location between your starting and ending location enter all locations in orders with one for each block.

Block 15
